

Gardens of Wetumpka Wins 2017 Best of Assisted Living Award From SeniorAdvisor.com

Wetumpka, AL, June 7, 2017 – The Gardens of Wetumpka is proud to announce that they have been selected as one of the 2017 Best of Assisted Living Award Winners on SeniorAdvisor.com, the largest ratings and reviews site for senior care and services in North America.

SeniorAdvisor.com's Best of 2017 Award winners represent the best of the best of in-home care, assisted living, and other senior living providers, based on the online reviews written by seniors and their families. This exclusive designation honors the top one percent of senior care providers across the country.

The annual SeniorAdvisor.com Best of Awards tabulates over 130,000 family created reviews to find the best quality care providers for this honor. Of the nearly 200,000 communities currently listed on SeniorAdvisor.com, just over 1,400 were recognized with this prestigious award. The Gardens of Wetumpka Assisted Living is one of the only winners in the river region, and regularly receives highly positive reviews from their families like this one: "I am pleased with all they have done for my Mom. It is a nice place with kind people" and "very nice, professional staff."

Families are increasingly looking to online reviews to find out who truly delivers great care for our seniors, not just who claims to deliver great care," said Eric Seifert, President of SeniorAdvisor.com. "Our SeniorAdvisor.com Awards program is all about celebrating the exceptional people who do just that. We're honored to spread the word about these organizations whom families can entrust with the care of their senior loved ones." To qualify for inclusion in the Best of 2017 Awards, providers must have maintained an average overall rating of at least 4.5 stars while receiving three or more new reviews in 2016. Additional details and a complete list of award winners can be found on SeniorAdvisor.com.
